June 2017 Newsletter

Message from the President - Sharon L

If you're like me, you are busy trying to finish those quilts for which you submitted entry forms for the Quilt Show. (Already I've had to send in two changes to Mary in terms of the finished size.... Darned if those quilts didn't just keep growing - Stella must have rubbed off on me!) It looks like we are going to have another wonderful show - we have even more entries than last year, including several entries from quilters outside of our geographic area, along with 3 intriguing antique quilts that our judge, Arlene Arnold, is bringing from her collection. I do hope you'll volunteer your time to work the show, as well as spending time just enjoying the beautiful quilts that will hang for the two days.

And a week later, it will be July, and time to hang up my gavel as President. I have thoroughly enjoyed my two years in this position, and want to extend my sincere thanks to the members who have served with me on the Board. Your hard work and dedication are greatly appreciated by all. Thank you, too, to all of the members of our club for your ideas and your willingness to jump in and do what needs to be done. I have never met more talented and inspiring women who are so willing to share. Not a day goes by that I don't think of something I have heard or seen among our group that makes me want to become better at what I try to do. Thank you for that.

Please check them out or better yet, go to the library and/or hospital to see them in person. Great displays!
