

Red, White and Blue Friendship Star

Finished size 9"

Unfinished size 9-1/2"

You will need **White-White** (not ecru or not muslin), **Medium-Red, Dark-Red, and Medium-Blue**. Please feel free to use various prints. For instance your medium blue could also have little white stars, etc. Your white fabric could contain little bit of red or blue. Feel free to go out of the box and have a bit of fun in you fabric choices. Scrappy blocks are more interesting when made with a variety of scaled prints (not all solids). Just try to stay within the color scheme and color value.
